Dear hr manager:

I am writing to express my interest in the Front-End Developer position at your company. As a fresh entrant into web development, with certifications in web development and ongoing BSCS studies at Federal Urdu University, I am eager to contribute my skills to your team.

I have hands-on experience with HTML, CSS, JavaScript, and React, having built responsive, user-friendly websites and applications. I am particularly drawn to your company for its innovative, user-centric approach, which aligns with my passion for creating seamless digital experiences.

I am excited about the opportunity to bring my fresh perspective and technical abilities to your projects. Thank you for considering my application; I look forward to the possibility of discussing how I can contribute to your team's success.

Yours sincerely,

**Muhammad Ahmed**
